

Remarks

Claims 1-29 are currently allowed in the application. Claim 2 is amended.

Specifically, dependent claim 2 is amended in a non-narrowing manner to correct an informality, and not for any reason related to the patentability of the claims in view of one or more references of record in the application.

It is requested that the above-amendment be entered by a Supervisory Patent Examiner on recommendation of a Primary Examiner without withdrawal of the application from issue, in accordance with MPEP § 714.16.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
